Book C

General Land Office — Mineral Certificate

No. 759 — No. 12

The United States Of America

To All

To Whom These Presents Shall Come Greeting:

Whereas

In pursuance of an act of Congress approved July twenty third, eighteen hundred and sixty six entitled "An Act granting the right of way to ditch and canal owners over the public lands and for other purposes" the act amatory thereof approved July ninth eighteen hundred and seventy, and the act approved March tenth eighteen hundred and seventy two entitled "An Act to promote the development of the mining resources of the United States" there has been deposited in the General Land Office of the United States the plat and field notes of Survey of the placer mining claim of H. R. Curtis, M. G. Richardson, John J. Dooley and B. W. Bartholomew, accompanied by the certificate of the Register of the Land Office at La Grande in the State of Oregon whereby it appears that in pursuance of said acts of Congress the said H. R. Curtis, M. G. Richardson, John J. Dooley and B. W. Bartholomew did on the eleventh day of April A. D. 1872 enter and pay for said claim being Mineral Entry Number twelve in the Series of Said Office designated by the Surveyor General as Entry Number Seventy Seven 77 embracing a portion of the unsurveyed public domain containing Sixty Six 66 acres and Ninety Seven Hundredths 97/100 of an acre of land more or less in the Quinnes Mining District in the County of Baker and State of Oregon the said placer mining claim or lot of land being according to the official returns on file in the General Land Office bounded described and platted as follows and: Magnetic variation at time one degree fifteen (15) minutes East to wit:

Beginning at a point from which Station No. 2 of Survey No. 47 platted to O. S. Buckland and the placer mining claim bears north
