Lot 23 Claim No 37
Mineral District No 4
PLAT
of the
Brown and Eastabrook Mining
Claim
Willow Creek Mining District
Baker County Oregon
Surveyed by C.M. Foster Dept. Surv.
December 5th 1873
Containing 2.39 Acres
Magnetic Variation 20° East
Scale 10 Chains or 660 feet to an inch

The survey of the claim of the Brown and Eastabrook Placer Mining claim from which this plat has been made, has been carried out and accounts thereof in the Office and together with the field notes thereof, it will be incorporated in and forms a part of the mining claim, and that such reference is made thereto as will be identify the premises, and that such portions as will for ever hereafter be the boundary of said mining claim, and the permanent monuments, as will for ever hereafter identify the said mining claim, and that the total area of the said mining claim, excluding rivers, streams and roads, does not exceed five hundred feet in length and two hundred feet in width, and that the said monuments consist of stones, stakes, flume and ditches, and that the said survey and plat is a correct plat of said Brown and Eastabrook Placer Mining claim, and that the survey made in conformity with said original field notes of the claim, as surveyed.
