from which this plat has been made under my direction,
have been examined and approved, and are on file in this office,
and I hereby certify that they contain such an accurate description
of said Mining Claim as will, if incorporated into a patent,
serve fully to identify the premises, and that such reference is
made therein to natural objects or permanent monuments as
will perpetuate and fix the locus thereof.
I further certify that five hundred dollars worth of labor has
been expended in improvements made upon said Mining Claim
by claimant or its grantors and that
said improvements consist of six Disc cuts, two Disc
shafts, three Disc tunnels and twelve cuts,
nine tunnels, four shafts and 3/4 of a tunnel,
