Charles M. Foster,
U.S. Deputy Mineral Surveyor

The Original Field Notes of the Survey of the Mining Claim of
G. J. Duffey and M. J. O'Neill
known as the

Mayflower Quartz Mining Claim

from which this plat has been made under my direction, have been examined and approved, and are on file in this office, and I hereby certify that they furnish such an accurate description of said Mining Claim as will, if incorporated into a patent, serve fully to identify the premises, and that such reference is made therein to natural objects or permanent monuments as will perpetuate and for the wants thereof.
I further certify that five hundred dollars worth of labor has been expended or improvements made upon said Mining Claim by claimant or their grantors, and that said improvements consist of 10 ft. of D.C. Pit Value \$40.00, 85 ft. of Open Cuts Value \$190.00, 55 ft. of Incline Shaft Value \$550.00, 6 ft. of Shaft Value \$10.00, 465 ft. of Tunnel Value \$3,795.00, that the location of said improvements is correctly shown upon this plat, and that no portion of said labor or improvements has been included in the estimate of expenditures upon any other claim.
And I further certify that this is a correct plat of said Mining Claim made in conformity with said original field notes of the survey thereof, and the same is hereby approved.
