SURVEYED BY

Henry W. Cooke

U. S. Deputy Mineral Surveyor,

October 27 1886

The original Field Notes of the survey of the Claim of

Oregon Gold Mining Company

known as the Eagle Quartz Mine

from which this plat has been made, have been examined and approved, and are on file in this office; and I hereby certify that they furnish such an accurate description of said Mining Claim as will, if incorporated into a patent, serve fully to identify the premises; and that such reference is made therein to natural objects and permanent monuments as will perpetuate and fix the locus thereof. I further certify that the value of the labor and improvements placed thereon by the applicant, or his grantors, is not less than Five Hundred Dollars; and that said improvements consist of an open cut on ledge about one hundred feet long, cross cut fifty feet and trimmed about twenty five feet deep as appears by the report of the Deputy Surveyor and the testimony of two disinterested witnesses. And I further certify that this is a correct Plat of said Mining Claim, made in conformity with said original Field Notes of the survey thereof.
