The Original Field Notes of the Survey of the Mining Claim of
W.R. Follis

Known as the
W.J. Bryan Mining Claim

I, the Surveyor General, have examined the original field notes of the Mining Claim of W.R. Follis, and have found them to be correct and true, and I have caused this plat to be made under my direction, and I hereby certify that they furnish such an accurate description of said Mining Claim as will, if incorporated into a patent, serve fully to identify the premises, and that such reference is made therein to natural objects or permanent monuments as will perpetuate and fix the locus thereof.

I further certify that Five Hundred Dollars worth of labor has been expended or improvements made upon said Mining Claim by claimant or his grantors, and that said improvements consist of discovery, cut 20 ft long, value \$100.00 and 146.9 ft of tunnel, total value \$1375.00. Total value of improvements \$1475.00.

that the location of said improvements is exactly shown upon this plat, and that no portion of said labor or improvements has been included in the estimate of expenditures upon any other claim.

And I further certify that this is a correct plat of said Mining Claim made in conformity with said original field notes of the survey thereof, and the same is hereby approved.
