The Original Field Notes of the Survey of the Mining Claim of
A. W. Manning and Isaac A. Herron
known as the Herculean Quartz Claim
from which this plat has been made under my direction
have been examined and approved, and are on file in the office
and I hereby certify that they furnish such an accurate descrip-
tion of said Mining Claim as will, if incorporated into a patent,
sufficiently identify the premises, and that such reference
is made therein to natural objects or permanent monuments
as will perpetuate and fix the locus thereof
I further certify that Five Hundred Dollars worth of labor has
been expended or improvements made upon said Mining
Claim by claimant or their grantors and that
said improvements consist of Working Shaft (Carroll)
Working Tunnel 6' x 4' 154 ft long through
Solid Rock partly timbered, wooden
bench and car, 2 log houses, 1300 feet
of wagon Road, Blacksmith and other
buildings

that the location of said improvements is correctly shown
upon this plat, and that no portion of said labor or im-
provements has been included in the estimate of expendi-
tures upon any other claim
And I further certify that this is a correct plat of said Mining
Claim made in conformity with said original field notes of the
survey thereof, and the same is hereby approved
