 The Original Field Notes of the Survey of the Mining Claim of
 Eastern Oregon Mining Company
 known as the
 Prince Quartz Mining Claim,

from which this plat has been made under my direction, have been examined and approved, and are on file in this office, and I hereby certify that they furnish a correct and accurate description of said Mining Claim as well, if incorporated into a patent, as the file to identify the premises, and that such reference is made therein to natural objects or permanent monuments as will perpetuate and fix the corners thereof. I further certify that five hundred dollars worth of labor has been expended or improvements made upon said Mining Claim by claimant or its grantors, and that said improvements consist of two tunnels, total length 77 feet; total value \$700.

that the location of said improvements is correctly shown upon this plat, and that no portion of said labor or improvements has been included in the estimate of expenditures upon any other claim.
 And I further certify that this is a correct plat of said Mining Claim made in conformity with said original field notes of the survey thereof, and the same is hereby approved.
