John Hagel U.S. Deputy Mineral Surveyor.

The Original Field Notes of the Survey of the Mining Claim of
Eastern Oregon Mining Company
 known as the
Side Issue Quartz Claim.

from which this plat has been made under my direction I
 have been examined and approved, and are on file in this Office
 and I hereby certify that they furnish such an accurate descrip-
 tion of said Mining Claim as will, if incorporated into a patent,
 serve fully to identify the premises, and that such reference
 is made therein to natural objects or permanent monuments
 as will perpetuate, and for the benefit thereof,
 I further certify that five hundred dollars worth of labor have
 been expended or improvements made upon said Mining
 Claim to claimant or granters, and that
 and improvements consist of _____

that the location of said improvements is correctly shown
 upon this plat, and that no portion of said labor or im-
 provements has been included in the estimate of expendi-
 tures upon such claim.

And I further certify that this is a correct plat of said Mining
 Claim made in conformity with said original field notes of the
 survey thereof, and the same is hereby approved.
