The Original Field Notes of the Survey of the Mining Claim of
Alexander Ewing
known as the Williams Quartz Claim and the Williams Mill Site
from which this plat has been made under my direction
have been examined and approved, and are on file in this Office
and I hereby certify that they furnish such an accurate descrip-
tion of said Mining Claim as will, if incorporated into a patent,
serve fully to identify the premises, and that such reference
is made therein to natural objects or permanent monuments
as will perpetuate and fix the locus thereof
I further certify that five hundred Dollars worth of labor has
been expended or improvements made upon said Mining
Claim by said claimant or his grantors and that
said improvements consist of one tunnel 67 x 5 x 5
27 102 feet long, 14 feet x 14
This tunnel was opened on the North Pole Mining
claim, but for the sole purpose of working the
Williams Mining claims.
that the location of said improvements is correctly shown
upon this plat and that no portion of said labor or im-
provements has been included in the estimate of expen-
diture upon any other claim
and I further certify that this is a correct plat of said Mining
Claim made in conformity with said original field notes of the
survey thereof, and the same is hereby approved.
