The Original Field Notes of the Survey of the Mining Claim of
 The Oregon Silver Mining Company
 known as the

Forest City Quartz Mine

from which this plat has been made under my direction
 have been examined and approved, and are on file in this office,
 and I hereby certify that they furnish such an accurate descrip-
 tion of said Mining Claim as will, if incorporated into a patent,
 serve fully to identify the premises, and that such reference
 is made therein to natural objects or permanent monuments
 as will perpetuate and fix the location thereof.
 I further certify that five hundred dollars worth of labor has
 been expended or improvements made upon said Mining
 Claim by claimant or their grantors, and that
 said improvements consist of
 One Tunnel of length 125 ft. at an angle of 10 degrees
 and
 15 ft. of tunnel in solid rock - and the total length of 140 ft.
 that the location of said improvements is as shown on
 upon this plat, and that no portion of said labor or im-
 provements has been included in the estimate of expendi-
 tures upon any other claim.
 And I further certify that this is a correct plat of said Mining
 Claim made in conformity with said original field notes of the
 survey thereof, and the same is hereby approved.
