The Original Field Notes of the Survey of the Mining Claim of
Matthew L. Coniskey
known as the

Shyster Consolidated Quartz
Mine and Mill Site

from which this plat has been made, under my direction, have been examined and approved, and are on file in this Office, and I hereby certify that they furnish such an accurate description of said Mining Claim as will, if incorporated into a patent, serve fully to identify the premises, and that such reference is made therein to natural objects or permanent monuments, as well as to the labor and improvements thereon.
I further certify that five hundred dollars worth of labor has been expended on improvements made upon said Mining Claim by claimant or his assigns, and that said improvements consist of a mill, a concentrator, and a water race, and that the location of said improvements is correctly shown upon this plat, and that no portion of said labor or improvements has been included in the estimate of expenditures upon any other claim.
And I further certify that this is a correct plat of said Mining Claim made in conformity with said original field notes of the survey thereof, and the same is hereby approved.
