The Original Field Notes of the Survey of the Mining Claim of
W. S. Taft, Clark Snipe & Inc. C. Schenck
known as the
Golconda Quartz Claim

Given which this plat has been made under my direction &
have been examined and approved, and are on file in this office,
and I hereby certify that they furnish such an accurate descrip-
tion of said Mining Claim as will, if incorporated into a patent,
sufficiently identify the premises, and that such reference
is made therein to natural objects or permanent monuments
as will perpetuate and fix the locus thereof.
I further certify that five hundred dollars worth of labor has
been expended or improvements made upon said Mining
Claim by claimant & their grantors, and that
said improvements consist of: Tunnel No. 1
4x6x146 ft. Value \$750.00
Tunnel No. 2 4x6x240 ft. " 1250.00
Cross Cut 4x6x100 ft. " 500.00
Total \$2500.00
And the location of said improvements is clearly shown
upon this plat, and that no portion of said labor or im-
provements has been included in the estimate of expenses
brought upon any other claim.
And I further certify that this is a correct plat of said Mining
Claim made in conformity with said original field notes of the
survey thereof, and the same is hereby approved.
