The Original Field Notes of the Survey of the Mining Claim of
McCannell Consolidated Gold and Silver Mining Company
known as the

Mountain View Quartz Claim

in which this plat has been made under my direction
have been examined and approved, and are on file in this office,
and I hereby certify that they furnish such an accurate descrip-
tion of said Mining Claim as will, if incorporated into a patent,
serve fully to identify the premises, and that such reference
is made therein to natural objects or permanent improvements
as will perpetuate and fix the boundaries thereof.
I further certify that five hundred dollars worth of labor has
been expended in improvements made upon said Mining
Claim by claimant or in their grinders, and that
said improvements consist of
280 ft. tunnel, timbered 2,240.00
1 1/2 ft. shaft 17.00
Total 2,257.00

that the location of said improvements is correctly shown
upon this plat, and that no portion of said labor or im-
provements has been included in the estimate of expendi-
tures upon any other claim.
And I further certify that this is a correct plat of said Mining
Claim made in conformity with said original field notes of the
survey thereof, and the same is hereby approved.
