The Original Field Notes of the Survey of the Mining Claim of
W. J. Moorhead

known as the
Michigan Lode

Wherein this plat has been made under my direction,
have been examined and approved and are on file in this Office,
and I hereby certify that they furnish such an accurate description
of said Mining Claim as will, if incorporated into a patent,
sufficiently identify the premises, and that such reference is
made therein to natural objects or permanent monuments as
will perpetuate and fix the locus thereof.
I further certify that five hundred dollars worth of labor has
been expended or improvements made upon said Mining Claim
by claimant or his assigns and that
said improvements consist of Discovery shaft,
valued at \$600.00

that the location of said improvements is correctly shown
upon this plat, and that no portion of said labor or improve-
ments has been included in the estimate of expenditures
upon any other claim.
And I further certify that this is a correct plat of said Mining
Claim made in conformity with said original field notes of the
survey thereof, and the same is hereby approved.
