The original Field Notes of the survey of the Claim of

S. A. Heilner

known as the Mammoth Quartz Mine.

from which this plot has been made, have been examined and applied, and as a result they have been certified that they contain such an accurate description of said Mining Claim as will, if incorporated into a patent, serve fully to identify the premises; and that such reference is made therein to natural objects and permanent monuments as will perpetuate and fix the locus thereof. Part of the cost of the labor and improvements placed thereon by the applicant, or his grantors, is not less than Five Hundred Dollars; and that said improvements consist of Structures

Shaft, Quarts Mill, Blacksmith shop and Stoves.

as appears by the report of the Deputy Surveyor and the testimony of two disinterested witnesses. And I further certify that this is a correct Plat of said Mining Claim, made in conformity with said original Field Notes of the survey thereof.
