Chas. W. Foster
U.S. Deputy Mineral Surveyor

The Original Field Notes of the Survey of the Mining Claim of
J. J. Trimble et al
known as the
Annululu and Chapman Quartz
Claims and Standalone Mill Site

from which this plat has been made under my direction,
have been examined and approved, and are on file in this office,
and I hereby certify that they furnish such an accurate description
of said Mining Claim as will, if incorporated into a patent,
serve fully to identify the premises, and that such reference,
as made therein to natural objects or permanent monuments,
as will perpetuate and fix the locus thereof.

I further certify that five hundred dollars worth of labor has
been expended or improvements made upon said Mining
Claim by claimant & or their grantees, and that
said improvements consist of 2 Tunnels total length 70 ft,
300 ft, Shaft 90 ft deep, 1800 ft, Blast Blk. & Contexts,
2 100 ft on Annululu Lode & 1 Tunnel 20 ft long 30 ft,
Blasting House, 250 ft, Lode Oregon Road 100 ft, on
that the location of said improvements is correctly shown
upon this plat, and that no portion of said labor or im-
provements has been included in the estimate of expendi-
tures upon any other claim.

And I further certify that this is a correct plat of said Mining
Claim made in conformity with said original field notes of the
survey thereof, and the same is hereby approved.
