The Original Field Notes of the Survey of the Mining Claim of
Archibald Brown, Senior,
known as the Merry Agnes Consolidated Placer Mine,
from which this plat has been made under my direction,
have been examined and approved, and are on file in this office,
and I hereby certify that they furnish such an accurate description
of said Mining Claim, as well, if incorporated into a patent,
as will fully identify the premises, and that such reference
is made therein to natural objects or permanent monuments
as will perpetuate and fix the lines thereof.
I further certify that Five Hundred Dollars worth of labor has
been expended on improvements made upon said Mining
Claim by claimant or his grantee, and that
said improvements consist of 5 ditches, total 20 miles
long, 5 flumes, 50000 cu. yds. of sluiced off
ground and scabbers.

that the location of said improvements is correctly shown
upon this plat, and that no portion of said labor or im-
provements has been included in the estimate of expendi-
tures upon any other claim.
And I further certify that this is a correct plat of said Mining
Claim, made in conformity with said original field notes of the
survey thereof, and the same is hereby approved.
