The Original Field Notes of the Survey of the Mining Claim of
J.W. Ellis
Known as the

Meadow Group Placer Mine

In which this plat has been made under my direction, I have been examined and approved, and are on file in this Office, and a copy of the same, together with an accurate description of the Mining Claim, as well as of the improvements thereon, is made thereon to identify the premises, and that such reference as will perpetuate as public records thereof.

I further certify that five hundred dollars worth of labor has been expended, or improvements made upon said Mining Claim by claimant or his grantors, and that said improvements exceed 50% not less than \$2000 expended in Hydraulic Workings covering the entire claim excepting narrow ridge running through No. 335 Placer.

That the location of said improvements is correctly shown upon this plat, and that no portion of said labor or improvements has been included in the estimate of expenditures upon any other claim.

And I further certify that this is a correct plat of said Mining Claim made in conformity with said original field notes of the survey thereof, and the same is hereby approved.
