 MADE August 8th to 10th 1896 by
 Charles M. Foster
 U.S. Geol. Survey

*The Original Field Notes of the Survey of the Mining Claim of
Thos. McEwan, David Reith & John Vass
known as the*

*Virginia Consolidated Quartz
claim*

from which this plat has been made under my direction, have been examined and approved, and upon file in this office, and hereby certify that they furnish such an accurate description of said Mining Claim as will, if incorporated into a patent, serve fully to identify the premises, and that such reference is made therein to natural objects or permanent monuments as will perpetuate and fix the bounds thereof.

I further certify that five hundred dollars' worth of labor has been expended or improvements made upon said Mining Claim by claimants or their grantors, and that said improvements consist of: On Virginia Claim—Bong's 1866-67 of \$610.00, Buchanan's 1866-67 of \$25.00 On Sycamore Claim, McShaner's \$230.00, Knight & Co's 1867 of \$520.00 ————— Total of \$865.00

that the location of said improvements is correctly shown upon this plat, and that no portion of said labor or improvements has been included in the estimate of expenditures upon any other claim.

And I further certify that this is a correct plat of said Mining Claim made in conformity with said original plat notes of the survey thereof, and the same is hereby approved.
