The Original Field Notes of the Survey of the Mill Site of
John Weiss

known as the

Virginia Consolidated Mill Site

from which this plat has been made under my direction
have been examined and approved, and are on file in this Office,
and hereby certify that they furnish such an accurate descrip-
tion of said Mill Site, as will, if incorporated into a patent,
sufficiently identify the premises, and that such reference
is made therein to natural objects or permanent monuments
as will perpetuate and fix the corners thereof.

I further certify that two hundred dollars worth of labor has
been expended in the preparation of this plat, and Mining
Claim No. _____ of _____ granted against said
said improvement, canceled at _____

that the location of said improvements is correctly shown
upon this plat, and that no portion of said labor or the
improvements have been included in the estimate of expenses
thereon upon any other claim.

And I further certify that this is a correct plat of said Mill
Site made in conformity with said original field notes of the
survey thereof, and the same is hereby approved.
