 1730722030 East 1730722030 East 1730722030 East

STAINED June 29 - July 8  
August W. Mohr  
U.S. Geol. & Mineral. Survey

The Original Field Notes of the Survey of the Mining Claim of  
The Golden Eagle Mining Company  
known as the ...

Golden Eagle, one seen.  
 2 Canyon, in the border. Burd. Gold Eagle, 12.  
 Jacked. 2. Berman, Gray Frog, one seen in place.  
 Cornstock, lodes.

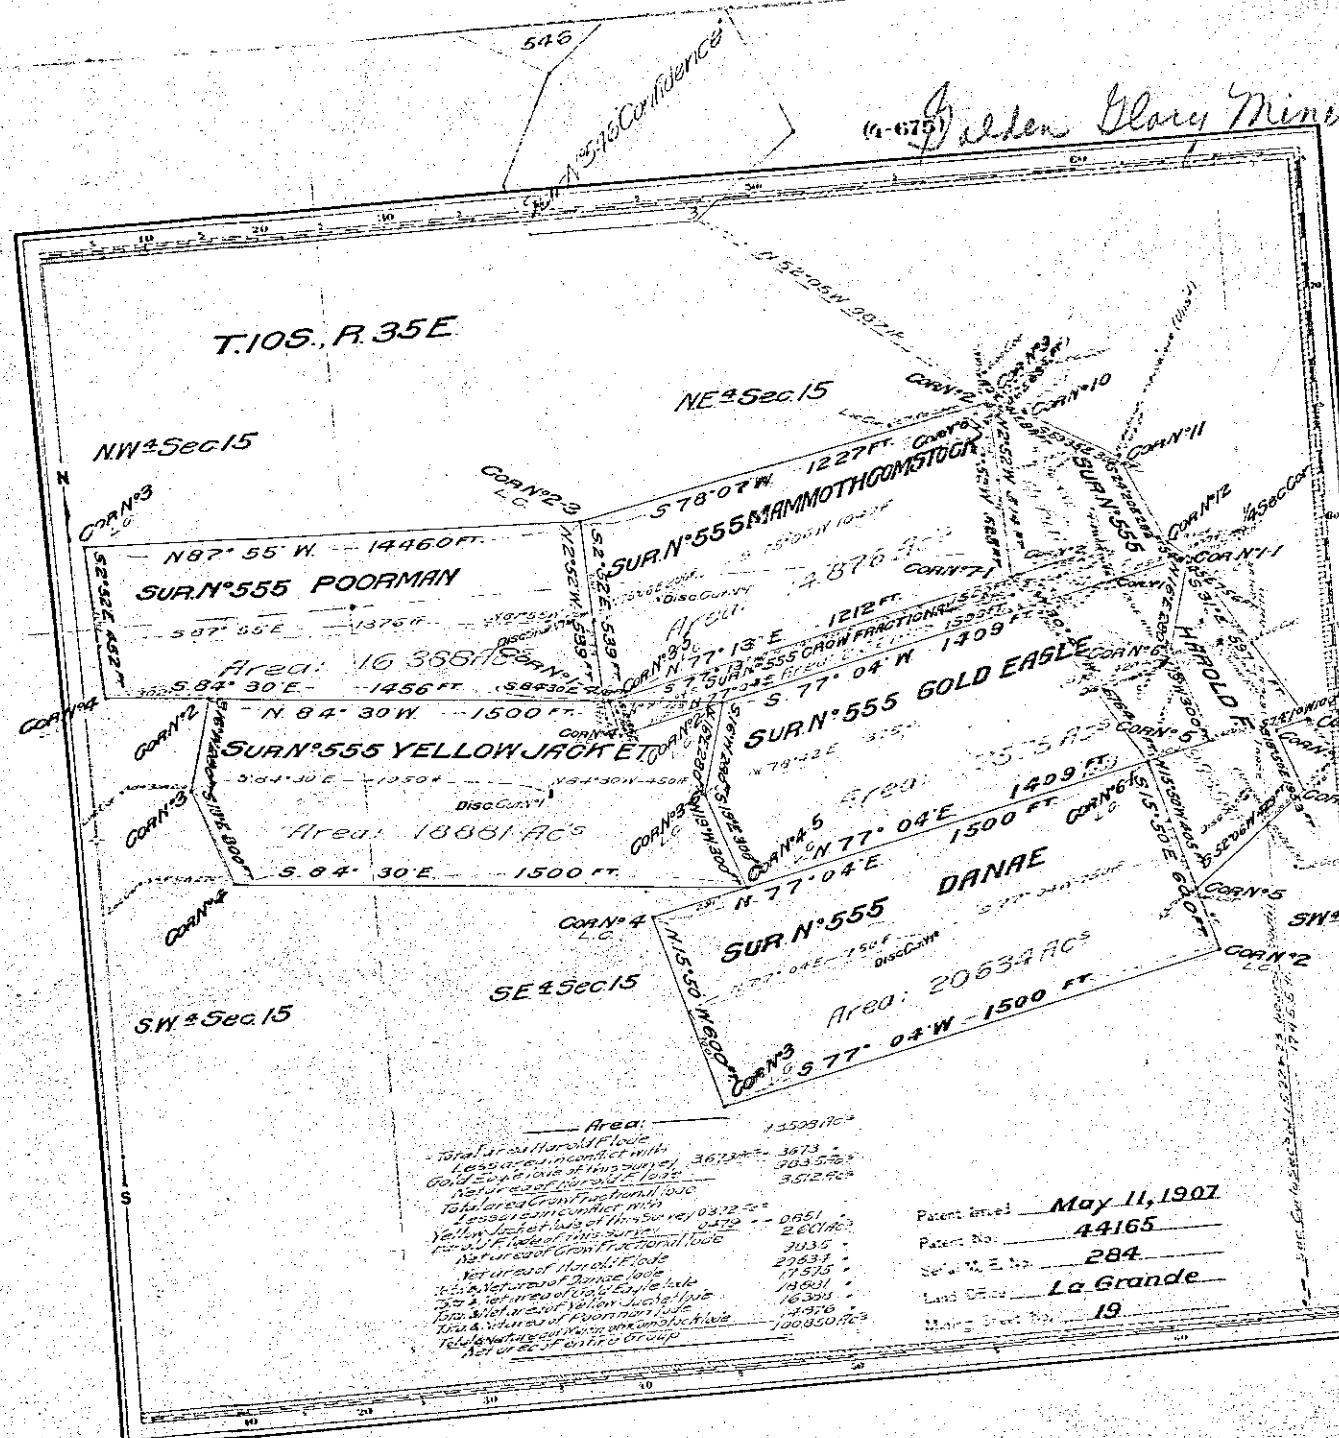

from which this plat has been made, under my direction have been examined and appeared, and were in file in this Office, and I hereby certify that they furnish such an accurate description of said Mining Claim as will if incorporated into a patent serve fully to identify the premises and that such reference is made therein to natural objects or permanent monuments, as to be obvious thereof.

as will perpetuate and preserve  
 & further certify that five hundred dollars worth of labor  
 have expended or improvements made upon said Min-  
 claim by claimant or its grantees, and  
 said improvements consist of  
 800 ft. Cuts, Value \$200. 26 ft. of Sinkhole  
 1300 ft. 1305 ft. of Tunnels, Value \$130.

that the location of said improvements is certain upon this plat, and that no portion of said labor payments has been included in the estimate of settlements upon any other claim.

And I further certify that this is a correct plat of said claim made in conformity with said original field notes, and the same is hereby approved.

T. S. Singer, Clerk of Court  
 Portland, Oregon  
 April 12<sup>th</sup>, 1905
