The Original Field Notes of the Survey of the Mining Claim of
Richard Baird
Known as the
Colin Pierce Quartz Mining Claim

from which this plat has been made under my direction
have been examined and approved, and are on file in this Office
and I hereby certify that they furnish such an accurate descrip-
tion of said Mining Claim as will, if incorporated into a patent,
serve fully to identify the premises, and that such reference
to said notes in the patent will identify the premises and the
location of said improvements and the location of the
improvements and the location of the improvements.

I further certify that Five Hundred Dollars worth of labor has
been expended or improvements made upon said Mining
Claim by claimant or his grantors, and that
said improvements consist of 336 ft. of shaft, total
length 50 ft. Value \$500.00; Shaft House,
Value \$150.00; Total Value, \$650.00.

that the location of said improvements is correctly shown
upon this plat, and that no portion of said labor or im-
provements has been included in the estimate of expendi-
tures upon any other claim.

And I further certify that this is a correct plat of said Mining
Claim made in conformity with said original field notes of the
survey thereof, and the same is hereby approved.
