ACCEPTED BY THE HON. COMMISSIONER G. L. O. May 31 1882

General Description.

This Township contains some good soil in the bottom land on Burnt River which runs through the township and some of the best of the Willamette Valley. The soil is of a heavy loam and is well adapted to agricultural purposes. The remainder of the township consists generally of rolling hills covered with good brushwood affording excellent facilities for stock raising.

There are some small settlements in the township, principally engaged in cattle raising.
