ACCEPTED BY THE HON. COMMISSIONER G. L. O. October 25, 1875

General Description
The National Land in Burnt River Township, Oregon, is situated in the Southern part of the Township, from West to East, is of 15th rate quality and well adapted to agricultural purposes. There are two sections lying in the Township known as Sec. 20 and Sec. 28. There are several other claims taken by the owners as not residing elsewhere. That portion of the Township lying South of Burnt River consists of high rolling hills, some adjoining the Burnt River, being covered by Pine, Spruce and Hemlocky Timber.
The land South of Burnt River has a gentle slope towards the Bottom and is of 15th rate quality. Good Branch grass grows abundantly all over the Township.
The Clark Creek Mining Ditch carrying about 100 inches of water runs through the Township from West to East.
