

T. 12 S. - R. 41 E

Note: The courses on this plat apparently refer to the magnetic meridians. The bearings 199 and 200 the courses have been changed to 195 and 200 thus referring to the true meridian, in harmony with the findings of R. L. Pitzer, U. S. Surveyor, in connection with measurements in T. 12 S. R. 41 E.

Lot N° 85
Mineral District N° 1
PLAT

of the
Virtue and Ferguson Goldbearing
Placer Mining Claim

Pioneer Mining District
Baker County Oregon

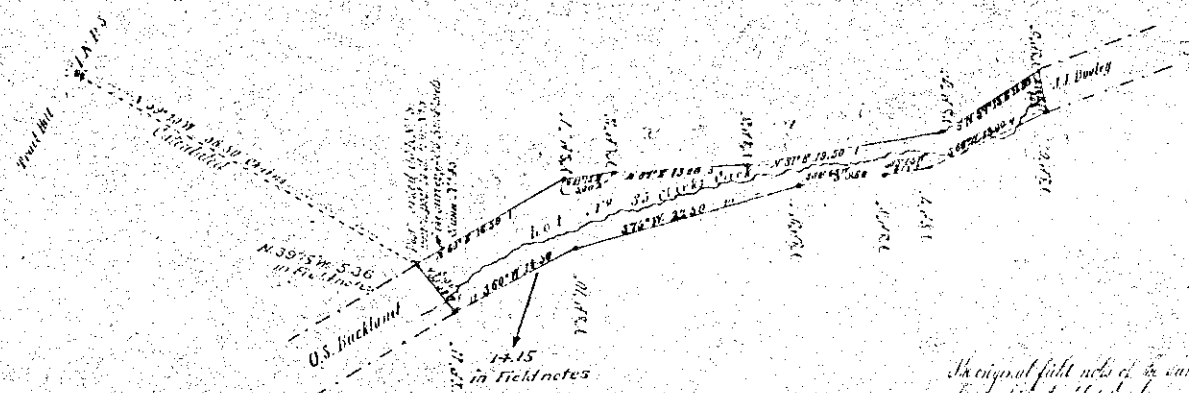

Surveyed by C. A. Jaker U.S. Deft. Min^r Sur

December 7th 1874

Magnetic Variation 20° West

Scale 10 Chains or 660 feet to an inch

Containing 34 Acres

The original plat notes of the survey of the Virtue and Ferguson Goldbearing Placer Mining Claim from which this plat has been made, have been examined and approved and are on file in the office, and hereby certify that they furnish such an accurate description of said Virtue and Ferguson Goldbearing Placer Mining Claim as will be incorporated into a plat and fully identify the premises and that such reference is made to the natural objects and permanent monuments as will for future use and for the locus of the plat and the value of the lot and improvement upon said mining claim placed thereon by the applicants and their families is not less than the highest value and that said improvement consists of a house, barn, and other buildings and that I further certify that this is a correct plat of said Virtue and Ferguson Goldbearing Placer Mining Claim or premises, made in strict conformity with said original plat notes of the survey thereof.
