 Land Office La Grande
 Mining Sheet No. 115

The original field notes of the survey of the Andrew J. Weatherly & Co. Placer Claim from which this plat has been made, have been examined and approved, and are on file in this Office, and I hereby certify that they furnish such an accurate description of said Mining Claim as will, if incorporated into a patent, serve fully to identify the premises, and that such reference is made therein to natural objects and permanent monuments as will perpetuate and fix the LOCUS thereof. I further certify that the value of the labor and improvements upon the said Mining Claim, placed thereon by the applicants and their grantors, is not less than Five Hundred Dollars, and that said improvements consist of Hydraulic Mining, Races, Flumes and Flumes. And I further certify that this is a correct plat of the said Andrew J. Weatherly & Co. Placer Mining Claim or premises, made in conformity with the said original field notes of the survey thereof.
