\$17,041,094 have been distributed by the state as relief for local property taxes, reducing your tax rate by \$.90 per thousand dollars of assessed value. This county received \$179,748.31 from the state for this purpose.
In addition the state has provided \$23,796.08 for senior citizens property tax relief in this county.

INSTRUCTIONS: for determining the portion of your tax that will be distributed to each of the taxing districts in which your property is located.

- Find the assessed value of your property on your tax statement and convert it from dollars to thousands of dollars by placing a decimal point three places from the right. Example: 2540 becomes 2.540 thousand.
- Find the code area number on your tax statement. Refer to the same number in the listing above and obtain the tax rate for each taxing district shown.
- Multiply the value (in thousands) by each district's tax rate. The answer is the amount of money that each district will receive.

NOTICE: State law requires that all property be assessed at 100% of its true cash value.
