INSTRUCTIONS: for determining the portion of your tax that will be distributed to each of the taxing districts in which your property is located.

1. Find the assessed value of your property on your tax statement and convert it from dollars to thousands of dollars by placing a decimal point three places from the right. Example: 2540 becomes 2.540 thousand.

2. Find the code area number on your tax statement. Refer to the same number in the listing above and obtain the tax rate for each taxing district shown.

3. Multiply the value (in thousands) by each district's tax rate. The answer is the amount of money that each district will receive.

NOTICE: State law requires that all property be assessed at 100% of its true cash value.

HOUSE BILL 1941 ABOLISHED the Local Property Tax Relief Fund.

The state has provided \$21,023.13 for senior citizens property tax relief in this county for the year 1971-72 only.
