

Major Partition Plat Number P2007-021

A Partition situated in the East half of Section 17,
Township 7 South, Range 38 East of the Willamette Meridian,
Baker County, Oregon

NARRATIVE

This partition was done at the request of Jim Loudon. Parcel 2 and the exterior of the partition are UNSURVEYED. Bearings and distances are shown for those lines as 5280 ft. per section in a cardinal direction. I placed the exterior of Parcel 1 at the direction of Mr. Loudon. This plat also creates an access and utility easement across a portion of Parcel 2 from Bulger Flat Lane, Northwest to the South line of Parcel 1. I find no unusual conditions on this partition.

BASIS OF BEARING

Geodetic bearing from the Southwest corner of Section 17, Township 7 South, Range 38 East, to the Southwest corner of Parcel 1 of this partition, by GPS observations. (WGS 84 Datum)

 - Property within this partition is also subject to right of way agreement with Boise Cascade Corporation cited in Deed 74 10 007. No right of way falls within the surveyed portion of this partition.

DITCH EASEMENT

Easement is conveyed to those with a legal water right for irrigation beyond the boundary of said parcel fed by any existing improved ditch. To those persons is granted a perpetual, non-exclusive easement for it and it's laterals, feeders and sub-ditches, headgates and other appurtenances to operate, use, maintain, etc., restore and repair, with heavy equipment when needed, the existing ditch in the same manner as same presently exists upon, over and across the property as shown on the annexed major partition plat. The total width shall equal the bank to bank ditch width, plus 15 feet beyond the bank on each side of the ditch. Reasonable access to the easement will be granted at location designated by the property owner, unless other reasonable access is available.
