DITCH EASEMENT

Easement is conveyed to those with a legal water right for irrigation beyond the boundary of said parcel fed by any existing improved ditch. To those persons is granted a perpetual, non-exclusive easement for it and its laterals, feeders and sub-ditches, headgates and other appurtenances to operate, use, maintain, etc. restore and repair, with heavy equipment when needed, the existing ditch in the same manner as same presently exists upon, over and across the property as shown on the annexed minor partition plat. The total width shall equal the bank to bank width, plus 15 feet beyond the bank on each side of the ditch. Reasonable access to the easement will be granted at location designated by the property owner, unless other reasonable access is available.

Electrical Service Disclosure

It is hereby disclosed that as of the date of the filing of this plat, there is no electrical service available to the parcels within this partition. Easements are being created by this plat for future electrical service, should the transmission lines be extended to the land within this partition in the future.
