**NARRATIVE**

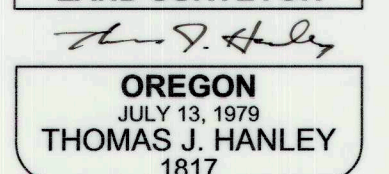

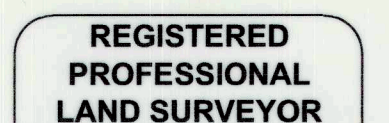

The purpose of this survey and plat for Baker County is to survey and partition the above described land into three parcels. Monumentation described in Baker County Survey No. 9-40-682 was recovered; Baker County Deeds Book 168, Page 639, Book 150, Page 283, 82 38 083 and Baker County Deed No. 01 21 0207 provided the property descriptions for the subject property.

A search was made of the available deed and survey records. The property is described by the following documents: Baker County Deed Book 168, Page 639 (Vacation Ordinance 2305) recorded on August 1, 1950 excepting Baker County Deed No. 82 38 083. Baker County Deed Book 150 Page 283 and Baker County Deed Number 01 21 0207(Vacation Ordinance No 3177).

Baker County Survey 9-40-25BC provided the Bearing of Campbell Street. Baker County Survey 9-40-682 was performed by O.D.O.T. while under contract with the City of Baker City to replace monuments of record that were obliterated during construction of the "D" Street improvement project. The controlling monuments for the centerline of "D" Street between Grove and East Street provided the basis for the North line of the partition.

"C" Street was located via Baker City monuments located at the centerline intersections of "C" Street and Walnut Street and "C" Street and Grove Street. The Southerly Right of Way line of the original 80 foot wide Right of Way of "C" Street was projected 40 feet to locate the Northwest Corner of Lot 4, Block 24 of Mix's Addition. Extending the East Right of Way line of Grove Street to the North line of Lot 8, Block 24 of Mix's Addition determined the Northeast line of the parcel described in Baker County Deed No. 82 38 083.

The North 687.60 feet of the East boundary of the partition was determined via Baker County Deed No. 01 21 0207(Vacation Ord. No. 3177).
