NARRATIVE

This subdivision was done at the request of Cassi LeTourneau, owner of the land within. Ms. LeTourneau wanted to divide the property as shown. I can find no remains of the monument at the Center-South 1/16th location. To maintain harmony with existing partitions, I position this monument as per Partition Plat 2019-009, coming record distance South from the Center quarter corner monument. I can also find no remains of the Southwest corner of the North half of the Southeast quarter of the Southeast quarter, originally set by Survey Number 08-39-037. I place this as per BLM Manual of Instructions 2009. I find no other unusual conditions with this subdivision.
