

AFFIDAVIT TO THE COUNTY SURVEYOR, UNION COUNTY, OREGON

I participated in the survey of the North-South mid-section line of Section 8, T. 6 S., R. 38 E., W.M., in 1952, the purpose being to mark the property lines for fence construction. The Sorenson family owned the land adjacent to and East of the Mid-section line.

The North quarter corner of this section was found at that time, witnessed by one of original bearing trees. The 30-inch pine bearing tree for Section 5 was lying down and was left in place. All other trees were cleared for some distance along the property lines. The fence was constructed along the mid-section line and along the North line of the NW $\frac{1}{4}$ NE $\frac{1}{4}$ of the section, with the fence corner being a pine tree growing almost on the quarter corner location. The fence wires tied to this pine tree.

Ed W. Sorenson
Sumpter, Oregon

STATE OF OREGON) SS
COUNTY OF BAKER)
