## CERTIFIED RECORD OF LAND CORNER MONUMENTATION

History of original corner establishment:

None previously established.

M-4 DIAGRAM T7S R43E SE 1/16 . S 18 PLS 1206 1987

Description of corner evidence found:

None

Description of monument and accessories I established to perpetuate the original location of this corner:

Set a  $2\frac{1}{2}$ " x 30" alum. pipe with a  $2\frac{1}{2}$ " alum. cap 24" into the ground. Constructed a 36" dia. stone mound around the monument. The cap is marked as shown in the corner diagram. From the corner point:

A 9" dia. Douglas Fir bears S. 39° E. at 3.9 ft. dist. mkd.,

SE 1/16 S 18 BT.

A 8" dia. Ponderosa Pine bears S. 61° W. at 65.1 ft. dist. mkd., SE 1/16 S 18 BT.

Set a steel fence post 4 ft. East from the monument and attached a USFS 54-9 and 54-2 signs. Painted the face of the blaze and a 6 in. band around the bearing trees red. I.D. washers were nailed between the scribed B and T of the new bearing trees. The washers are 3/4" in diameter and made of brass with PLS 1206 stamped on one side. Attached USFS 54-9 and 54-3 signs to bearing trees. Used  $18\frac{1}{2}$ 0 declination on a staff compass for readings to bearing trees. Used a steel tape to measure to a nail set in the side of the trees.

This corner was monumented to USFS specifications on July 29, 1987, witnessed by Tom Fisk and Andy Marlette.
