I, Eric W. Anderson, of Baker, Oregon, Certify that this map was made from notes taken during an actual survey made by me on July 10, 11, & 12, 1957, and that the monument shown on this map consists of a properly marked stone, as described in the official record, and as described to have been described by bearing, tree, boulder, the corner of sections 27, 28, 33 and 34, T. 7 S., R. 44 E., W. M., in Baker Co., Oregon, from which the bearings and distances to the points of diversion are as indicated hereon, to the best of my knowledge and belief.
