

NARRATIVE OF SURVEY

The survey of the N $\frac{1}{2}$ SE $\frac{1}{4}$ NW $\frac{1}{4}$ of Section 24, T 7 S R 46 E W M, in Baker County, Oregon for Mr./Mrs. Larry and Dorothy Pederson on October 11, 1979.

Section 24 was partially subdivided in the course of USFS cadastral survey contract no. 53-04H1-9-7414N performed during July, August and September, 1979, during which the east, west and north boundaries as well as the northeast and northwest corners of the property were established. From the survey points established during the government survey, the southeast and southwest corners were set using 5/8" x 30" steel rebars. The basis of bearings were based on the solar observation taken on the previous survey.

The survey was performed under the direct supervision of William L. Hanley, surveyor in charge, Hanley Engineering Co. whose address is:

Hanley Engineering
