NARRATIVE

The purpose of this survey and subdivision plat for O & R, LLC and the Carl and Barbara Stiff Family Trust is to subdivide the herein described land into 14 lots. Baker County Partition Plat No. P1991-001 previously provided the proper subdivision of Section 30. Monumentation from said survey was recovered. Slight differences were found between the previous section subdivision and this survey. The new subdivision of Section 30 is represented on Baker County Survey No. 8-39-81.

WATER RIGHTS STATEMENT

Upon Final Plat approval of Heather Glen Subdivision, all water rights from the Cartmill Ditch shall be removed from the land represented on the annexed plat, and more particularly described in the accompanying Surveyor's Certificate.

I, Thomas J. Hanley, hereby certify that this is an exact duplicate copy of the Heather Glen Subdivision Plat as submitted to the Baker County Clerk for recording.

DITCH EASEMENT

Easement is conveyed to those with a legal water right for irrigation beyond the boundary of said parcel fed by the Cartmill Ditch/Pipeline and any existing improved ditch. To those persons, is granted a perpetual, non-exclusive easement for it and its laterals, feeders and sub-ditches, headgates and other appurtenances to operate, use, maintain, etc., restore and repair, with heavy equipment when needed, the existing ditch/pipeline in the same manner as same presently exists upon, over and across the property as shown on the annexed subdivision plat. The total easement width shall equal the bank to bank ditch width, plus 15 feet beyond the bank on each side of the ditch. Reasonable access to the easement will be granted at a location designated by the property owner, unless other reasonable access is available. Obstruction of the Cartmill Ditch by fences or other obstacles shall be prohibited. The placement of any bridges or culverts on the Cartmill Ditch must have the written consent of the water rights holders under the ditch, or their representative. Owners of parcels containing culverts or bridges on the Cartmill Ditch will assume responsibility for maintaining and cleaning those structures.
