## Description of corner evidence found:

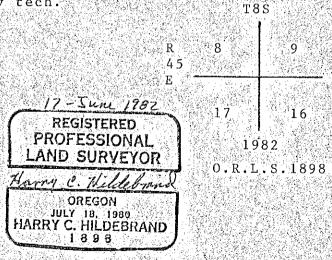

At the corner I found a rock  $15^{\prime\prime}$ X $15^{\prime\prime}$ X $6^{\prime\prime}$  in a mound of rock with 4 notches on the South edge and 4 notches on the East edge. No accessories were set.

Description of monument and accessories I established to perpetuate the original location of this corner:

I replaced the basalt rock with a  $2\frac{1}{2}$  X 32 brass capped steel pipe 6" in the ground in a mound of rock 3' X 24". I buried the original rock in the mound face down on the East side of the pipe. I set no accessories.
