NARRATIVE

The purpose of this map is to partition Parcel 2 of Partition Plat No. P1993-011 in the SW1/4SE1/4 of Section 16 and the NW1/4NE1/4 of Section 21, T8S, R46E, WM, Baker County, Oregon, and recorded as Baker County Map of Survey No. 8-46-53MP into two new parcels at the request of Chuck Butler of the Panhandle Snowmobile Club for Robert Ellingson, President of Ellingson Lumber Company.

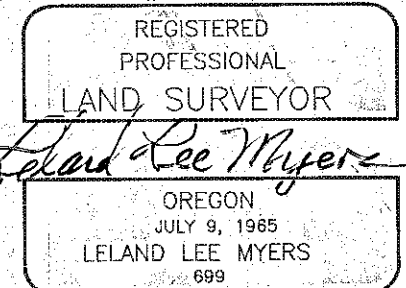

As Jim Hanley had stated on Maps of Survey Nos. 8-46-53MP and 8-46-54 "The survey data shown on Parcel #1 is result of field survey for this partition. Other data is a result of descriptions contained in various deeds, prior surveys of the subject property, highway maps and county assessor tax maps. Some distances are approximations." I used the data as found on the Hanley maps for the unsurveyed Parcel 2. I found all the monuments adjacent to this survey though some had been slightly disturbed having been run over.
