**PARTITION PLAT NO. \_\_\_\_\_**

**SURVEYOR'S CERTIFICATE**

I, James D. Hanley certify that I have correctly surveyed and platted three parcels of land on the annexed partition map in accordance with O.R.S. Chapter 92. The boundary of the partition is as follows:

A parcel of land in the NE1/4 SW1/4 of Section 32, T. 9 S., R. 37 E., W.M. Beginning at the Southeast corner of the said NE1/4 SW1/4; thence N.0° 06' 57"W. along the East line thereof a distance of 1225 feet; thence N.27° 20'W. 96.0 feet to a point on the North line of the said NE1/4 SW1/4; S.89° 44' 30"W. 43.91 feet from the Northeast corner thereof; thence S.89° 44' 30"W. 1279.40 feet; thence S.0° 08' 52"E. 1309.16 feet; thence N.89° 47' 55"E. 1322.58 feet to the point of beginning.

**NARRATIVE**

The purpose of this survey for Bill Brown is to partition the NE1/4 SW1/4 of the said Section 32 into three parcels shown hereon. Survey No. 9-37-46, filed June 1980, by Barry Barbour subdividing Section 32 under U.S. Forest Service contract shows the center quarter corner as being 2.52 feet from the monument established by the undersigned on July, 1976, in Survey No. 9-37-11 for Fay Reed. This difference in location is due to differing judgement calls regarding the East quarter corner of Section 32 acceptable found evidence. Barbour monumented all corners of the said NE1/4 SW1/4 excepting the Southeast 1/16 corner as part of his cadastral retrace survey. I find his monumentation in the field corresponds closely to the filed plat and have accepted that survey for the boundary of this partition. The Southeast corner of the NE1/4 SW1/4 is marked by a 1976 placed 2 1/2 inch diameter aluminum cap on steel post. The record bearing of N.0° 06' 57"W. on Survey No. 9-37-46 is held for this subject partition survey. The triangular-shaped exception to Deed 91 31 027 does not close as given with bearing "N.19° 30'W., 96 feet to the North line of the said NE1/4 SW1/4." I have held the 96.0 feet distance and find the bearing is N.27° 20'W.

**LEGEND**

- Found monument as noted
