NARRATIVE

The purpose of this survey was to locate and monument Lots 7 & 8, Block 2, South Sumpter Ellis Addition, City of Sumpter, Baker County, Oregon, located in the NW1/4NE 1/4 of Section 32, T9S, R37E, WM for Ilena Fleming.

I did a comprehensive survey of Sumpter in 1979, which was recorded as Baker County Map of Survey No. 9-37-28. The Woodwell Base Line and all the information contained in Survey No. 9-37-28 is the control for this survey. At this time there are no other permanent control points in Sumpter other than the Woodwell Base Line from which all recent surveys have been tied. A complete description of the base line and an interpretation of the original plat data is contained in Map of Survey No. 9-37-28. It has a complete discussion on survey problems found on the original Sumpter plats.

This survey was done using the record distances and bearings from the original South Sumpter Ellis Addition plat.

CERTIFICATION

I, Leland Lee Myers, a Professional Land Surveyor registered in the State of Oregon, 587 E Auburn Street, PO Box 99, Sumpter, Oregon 97877, completed this survey on May 5, 1998, by setting the monuments and do hereby certify that the information shown on this plat is correct to the best of my knowledge.
