NARRATIVE

The purpose of this partition for James T. Frakes, Sherry Nichols, Bonnie Bennett, Richard A. Smith, Peter E. Claflin and Julia F. Voss is to divide the land into three parcels as shown. Parcel No. 1 was field surveyed. Parcels No. 2 and 3 were not field surveyed. Bearings and distances outlining Parcels No. 2 and 3 are from Deed Nos. 87 22 059, 87 42 013 and 88 03 016. Those distances shown as approximate have been scaled. An actual field survey of these two parcels could result in different bearings, distances and acreages than those shown. The West line of the NW1/4NW1/4 of Section 14 was retraced and is held as the basis of bearing for the survey of Parcel No. 1, as shown on Baker County Survey No. 9-39-29. Baker County Washington Gulch Road No. 1125 centerline location, described in Deeds 74 28 069 and 74 28 071 was retraced. Bearings from these deeds have been rotated 0° 43' 23" in a clockwise direction in order to be compatible with Survey No. 9-39-29. An existing garage building encroaches 10 feet across the South line of the NW1/4NW1/4 (the South line of Parcel No. 1); a fence line also encroaches across this line, tapering from no encroachment at the Southwest corner of the NW1/4NW1/4, Section 14 to 20 feet across the South line at its Eastern terminus, on the Westerly Baker County road right of way.
