

**LEGEND:**

- ☐ Found monument in box.
- Set 5/8" x 30" rebar.
- ( ) Record of original plat.

**SURVEY REFERENCES:**

Original plat, McCrary's Addition.  
Survey No. 9-40-61.

**SURVEY NARRATIVE:**

This survey was executed at the request of P & E Distributing Co. for the purpose of monumenting property lines for fence construction. The monument at the intersection of Grace Street and Sixth Street is destroyed by railroad construction and therefore its position is calculated at the intersection of straight lines projected from found adjacent monuments along Grace Street between Fifth and Seventh Streets and along Sixth Street between Carter and Myrtle Streets.

**MAP OF SURVEY  
IN BLOCK 7, MCCRARY'S ADDITION AND  
VACATED PORTIONS OF ALLEY, GRACE STREET, AND SIXTH STREET**

Surveyed April 16, 1982      Scale 1"=100'

FILED April 16, 1982 For P & E Distributing Co.

BAKER COUNTY SURVEYOR  
SURVEY NO. 9-40-183

**REGISTERED
