- ◻ Mon. in box of record.
- Fnd. mon. as noted.
- Set 3/8" x 30" rebar with yellow plastic cap mkd. HANLEY ENGR PLS 1206
- () Record of original plat.

SURVEY NARRATIVE

This survey was performed at the request of Mr. Wally Hibbs for the purpose of monumenting his property boundary line prior to fence construction. The property is described as being Lot 6, Block C, M. E. Place's Addition to Baker, Oregon, excepting the South 2 feet thereof. Survey control was recovered from previous surveys in the general area and monuments established from this control and original plat records. It was found that the monument near the Southwest corner of Block B, M. E. Place's Addition bears S 25°03' W, 0.13 feet from its proper location.
