

LEGEND:

- o Found city monument
- Set 5/8-inch x 30-inch rebar with plastic cap marked
HANLEY ENGR PLS 1206
- () Original plat distance

NARRATIVE:

City street intersection monuments were found except 2nd Street and Wabash Avenue. The location of this point is established by extending the center line of Wabash Avenue through 4th and 3rd Streets to intersect the center line of 2nd Street between the monument opposite Lot 1 and the center line monument at Colorado Avenue. Survey then performed according to standard practices.
