SURVEY NARRATIVE

This survey was performed at the request of Lew Brothers, Inc., for the purpose of monumenting the agreed upon revised boundary between Lew Brothers and the adjacent landowner, William Heizer, owner of that property described in Baker County Deeds film volume 75-37-098. Previously established monumentation marking the Heizer property was recovered as shown on this map and was used for the basis for this survey. The northernmost corner of the Heizer property was reestablished from adjacent found monumentation and the record distances recorded in Baker County Deeds film volume 75-37-098.
