

2 monuments here, 1.30' apart
 The westernmost mon. is for
 E 11 St. North of D St.

712.83
 to West mon.
 of two.

NARRATIVE

All 10th Street monuments and curb references were destroyed by the Oregon State Highway Department reconstruction of about 1959 (± 3 years). The City of Baker has removed and replaced street centerline monuments at 9 and D and 11 and D. I do not believe they have all been reestablished in their original positions. This survey is based on the present locations of the existing street monuments and property record descriptions.
