

**NARRATIVE**

During construction of the above streets, it became necessary to remove centerline pins. They were carefully referenced. After construction #4 rebar, marked CITY OF BAKER PLS 2162, were set at the location of the old pins. All pins are located in Stewart's 2nd Add. to the City of Baker, also being in the NE 1/4 Sec. 18, T9S, R40E W.M. This survey perpetuates the chain of evidence of the older pins, but does not trace the history of those pins.

 Set #4 Rebar, marked CITY OF BAKER PLS 2162, inside monument box.
