LAND SURVEYOR

*Gary Van Patten*

OREGON  
JULY 26, 1985  
GARY VAN PATTEN  
2162

INDIANA AVE.

Narrative: This survey was made for the purpose of replacing, on the ground, property pins removed during construction by the City of Baker. The original pins were carefully referenced before construction commenced. Following construction, the new pins were set at the original pins location.

LEGEND

- Found #4 Rebar
- △ Replaced existing #4 rebar with a #5 rebar marked "City of Baker PLS 2162". #4 rebar was removed during construction.
